

What is Impact100 WA? – Impact100 WA changes how we lift up and transform our community by harnessing the power of collective giving.

How does it work?

We gather at least 100 people who each donate \$1,000, with the goal of significantly impacting at least one local not-for-profit organisation through a donation of \$100,000.

The concept is simple and powerful:

At least 100 people

Each donate \$1,000

To make transformative \$100,000 grant(s)

What makes us different?

- The grant application process is very structured, completely transparent and open.
- Impact100 WA donors have the opportunity to be part of assessing the grant applications and ultimately vote on the grant recipients.
- Every donor can determine their preferred level of engagement.
- The whole \$1,000 donation goes towards the grants.
- We are WA focused and support local, smaller not-for-profits here in our community.
