

What is Impact100 WA? -- Impact100 WA changes how we lift up and transform our community by harnessing the power of collective giving.

How does it work?

We gather at least 100 people who each donate \$1,000, with the goal of significantly impacting at least one local not-for-profit organisation through a donation of \$100,000.

The concept is simple and powerful:

At least 100 people

Each donate \$1,000

To make transformative \$100,000 grant(s)

What makes us different?

- We are **WA focused** and support local, smaller not-for-profits here in our community.
- Each donor can determine their preferred **level of engagement** throughout the year.
- Each donor has **one equal vote** to decide who receives the \$100,000 grant(s).
- **100% of every \$1000** donation goes towards the grants.
- The grant application and assessment process is well structured with strong **due diligence**.
