

**What is Impact100 WA?** -- Impact100 WA changes how we lift up and transform our community by harnessing the power of collective giving.

### How does it work?

At least 100 people donate \$1,000 each with the goal of significantly impacting at least one WA not-for-profit organisation through a donation of \$100,000.

### The concept is simple and powerful:

At least 100 people

Each donate \$1,000

To make transformative \$100,000 grants

### What makes us different?

- We **introduced the first** Impact100 model to Australia in 2012
- We are **WA focused only** & support local, "mid-tier" not-for-profits in our community.
- Each donor can determine their preferred **level of engagement** throughout the year.
- Each donor has **one equal vote** to decide who receives the \$100,000 grants at the Grant Awards Dinner.
- **100% of every \$1000** donation goes towards the grants.
- **Strong due diligence** is conducted during the grant application & assessment process.

### Our impact since 2012

- ★ **\$2,725,000** in direct grants by Impact100 WA
- ★ To **45 different** local not-for-profit organisations
  - Plus at least **\$1.3m** in 'side' donations to some NFPs from our donors
- ★ **27** transformational projects have proceeded after receiving a Primary Grant
- ★ **32** Minor Grants have enabled capacity building
- ★ **84%** retention rate of donors to Impact100 WA
  - Therefore, more understanding of the issues, solutions & opportunities
  - And creating **3 x \$100k** grants in 2021, 2022 & 2023
- ★ YoungImpact has run for 9 years:
  - **Over 60** young people have taken part
  - Raising **over \$34,000** for **12** organisations
